# MESSAGE FROM THE CHAIRMAN

Mr. Chandan K. Shrestha  
Chairman

Chanakya College of Management is an academic institution established with the materialization of the vision of providing solid group knowledge of coursework along with value added understanding of the same; to build the scope of pragmatism amongst the youth. To allow strong academic environment amongst the youth of our generation, we strive to create a unique blend of systematic and theoretical understanding of subject matter accompanied by real world applications of what is taught and learnt. To launch new avenues in the education system, an excellent pool of educationists are currently engaged at Chanakya Educators team, who with their years of excellence in this field are ready to provide as much resources as possible from their end to upgrade the academic performance and overall development of the students.

**I would like to welcome our prospective students and guardians to be part of our journey.**

The foremost priority of today's education system is to equip students with abilities which are competitive in global terms and systems, which our institution values the most. With that pursuit, we aim to work on developing sustainable skills and capacity of self-confidence along with instigating a sense of discipline among the students. To furnish this capacity, Chanakya College of Management proceeds with its original pragmatic educational system- Chanakya Teaching Learning System (CTLS) to create a generation who have the overall trait of being active learners, proactive leader and a global citizen.

# MESSAGE FROM THE PRINCIPAL

Mr. Basuki Raj Regmi  
Principal

Many of great scholars believe that education is the manifestation of perfection already existing in human beings. Chanakya, a great philosopher and scholar opines thus:

**We believe, you'll experience  
the very best in teaching and  
research.**

In this context Chanakya College of Management is committed to impart quality education to our valued students for their bright future, making them capable and competitive in the global market.

**प्रथमे नार्जिता विद्या द्वितीये नार्जितं धनम्  
तृतीये नार्जितं धर्मं चतुर्थे किं करिष्यति?**

**-आचार्य चाणक्य**

To gain knowledge is the first stage of life. Similarly, earning money is the second stage of life; Dharma (family responsibilities) comes in the third stage of life and earning Yasa (social glory) in the fourth stage. As mighty current of a river can't be impeded, neither can the human interests and desires.

I would like to assure all the parents that our college does not believe in bookish knowledge; rather it focuses on good discipline, morality and humanity as indispensable values of a student.

Finally, I would like to assure that Chanakya College is committed in providing quality education with excellent academic results so as to fulfill the expectations of the parents.

## MESSAGE FROM THE ACADEMIC HEAD

Mr. Keshab Charan Shrestha  
Academic Head

Chanakya College of Management provides an environment conducive to active learning, personality and professional development. Our faculty members are equipped with top line qualification, broader knowledge and extensive experience to provide an interdisciplinary perspective to the curriculum. We are driven by the motto "Empowering your global competence" since we believe that global competency skills are necessary to students so that the students can invent a future that appropriately addresses global challenges.

We are committed to provide students a dynamic, comprehensive education and global competency skills, which will encourage the students to face global challenges.

I extend warm welcome to all of you to become a part of Chanakya College of Management.

Mr. Ashish Vaidya  
Program Coordinator, BBS/MBS

## MESSAGE FROM THE COORDINATOR

The foremost priority of today's education system is to equip students with abilities which are competitive in global terms and systems.

There is no doubt that education can change the world, so we at Chanakya feel responsible, proud and fortunate to be a part of this beautiful process. Of course education is not easy but its fruits are definitely worth the effort. Our mind is the most powerful thing that there is and learning and knowledge is what makes it that way.

So our mission here at Chanakya is to help foster the minds of our students enabling them to become not just smart and intelligent, but also good human beings leading humanity to a prosperous tomorrow. Tomorrow belongs to the people who prepare for it today and we believe that it is the student's duty to realize the value and importance of education in their life before hand, to actually be able to benefit out of the learning process.

The educational institution and its faculty members are here to guide, advice and motivate you, so as to see you transform into a productive citizen with rational thinking power and progressive mindset. We are here to turn you into professionals and leaders that can make the right positive impact.

Learning is the process of constantly updating in an ever changing world. Therefore it is a must to be ready for change. Change for the better. So try to imagine your future self, believe that it can happen and prepare yourself to be able to be that person you want to become. Learning is fun, especially when it happens by your own choice.

I also take this opportunity to thank everyone for having bestowed their faith and confidence in us. Your faith in us is our driving force. Looking forward to see you.

# OUR JOURNEY

( Introduction )

---

**Education is the best friend. An educated person is respected everywhere. Education beats the beauty and the youth.**

**- Chanakya**

## **Chanakya is not just a name it's a path ahead**

Chanakya Secondary School/College is a premier institution established in 2066 BS with the primary objective of providing excellent educational service to students from Montessori to Masters Level. Currently we offer Higher Secondary courses in management and Science(proposed), BBS and MBS with its own infrastructural facilities in an independent block. We aim to extend more University level programs in future.

Chanakya stands out from other institutions with its immense growing potential. Since the time of its inception, a team of dedicated professionals have constantly worked on delivering quality educational service to its students. We are confident that the bond between young students and group of expert faculty members will encourage students aspiring to become expert in the field of management and achieve their career goals. The campus with space of 20000sq.ft. provides highly spacious and well-equipped classrooms along with all the basic amenities contributing to the richness of learning experience. We are also proud of our alumni who have been successful in creating positive impact in Nepal as well as global arena.

We welcome students, parents and guardians to Chanakya family. The higher educational facilities are located at Shankhadhar Chowk, Madhyapur Thimi-4, Bhaktapur and enjoys a close proximity to six lane Araniko Highway, making the school/campus easily accessible.

Chanakya as an Institution gets its name from the ancient India's prime scholar "Chankya" who lived during the third century BC. A royal advisor and jurist by profession, the Chanakya Educators have imbibed his milestone of knowledge and teachings in the field of jurisdiction, economics, political science and philosophy which are still relevant today as Chankya Niti, Arthashastra and Neetishastra.

Our educators recognize him and his works as the epitome of guiding principles for broadening the scope of learning, wisdom and skills required for overall human development.

To duly address and prepare young generation with ingenious capacity of leadership, discipline, knowledge and humility we can proudly claim that with highly efficient management team and learned faculty members essential scopes for educational management is what we aim for.

# Our Mission

---

We are dedicated to create an assemblage point for integrated academic, social, emotional and ethical dimensions of teaching and learning by upholding the pursuit of academic excellence in tandem with global partnership. With a team of highly efficient management team and highly learned faculty members, essential scopes for educational management are duly addressed to prepare young generation with ingenious capacity of leadership, discipline, knowledge and humanity.

# Our Vision

---

Our vision is to address the need of socially responsible educational organization that can offer a dynamic study environment to the aspiring learners. To enrich the students with the globally competent abilities such as advanced perspectives, communication of innovative ideas and pragmatic action plan, Chanakya Collge of Management is ready to provide service in the best possible ways for fruitful outcome.

# >> TEACHING

The under graduate and graduate program in Chanakya are based on the student- centered learning approach.

The general teaching methodology of the program includes interactive lectures, class presentations, guest lectures, case studies, field visits and projects. The teaching faculty determines the appropriate teaching-learning methods suitable for each course focused on the ways that will help the students to understand and analyze the real-life situation in Nepalese business, industry and government, and the global management environment.

The highly qualified staff of full and part time teachers is supplemented by visiting professionals with strong academic, research and consulting backgrounds.

The preference of method largely depends on the nature of the subject matter and the situation. Nevertheless, the following methods have been emphasized and adopted:

- 1** Lectures using projector, multi-media and boards.
- 2** Individual and group presentation
- 3** Guided group discussion
- 4** Reading assignments – independent learning
- 5** Field studies, analysis and group presentation
- 6** Seminars
- 7** Individual research
