

Academic Curriculum

The School Academic syllabus is based on Ministry of Education guidelines and regulation. Students while in school are introduced and exposed to an extensive range of Subjects that should help them figure out and choose their subject of interest for the further studies to build a career.

Extra Curricular Activities

Chanakya encourages and recognizes the need to craft a fine balance between their academic pursuits and extra-curricular activities. Various are conducted as house and club activities. These include creative writing, quiz, spelling contests, debates, dance competitions, musical shows, winter camps, art and crafts, literary, hiking and other talent shows. Similarly, student's passion for sports and sport related activities are also highly appreciated. Chanakya sponsors facilities for varied sports such as basketball, futsal, table tennis, badminton, chess, Taekwondo and more.
