# MESSAGE FROM CHAIRMAN

Mr. Chandan K. Shrestha (Chairman)

**M**ajor changes are taking place in the world, changes that will affect changes in the education sector as well. Given this reality, Chanakya College of Management/SS is committed to bringing about the required changes and revolution in Higher Education in Nepal. An academic institution established with the vision of providing solid knowledge of curriculum along with the value-added understanding of the same; to build the scope of pragmatism amongst the youth. Keeping up with the new ways of world and education modules in mind, an excellent pool of educationists are currently engaged as the core team of Chanakya, who with their years of excellence and experience provide as much resource as possible to upgrade the academic performance and overall development of the students.

The foremost priority of today's education system is to enable students with skills that are competitive in current global terms. With that pursuit, we aim to work on developing sustainable skills and build self-confidence, along with instigating a sense of discipline amongst the students.

Chanakya College of Management proceeds with its original pragmatic educational system- Chanakya Teaching Learning System (CTLS) to create a generation that has the overall traits of being active learners, proactive leaders and a global citizen.

# MESSAGE FROM PRINCIPAL

Mr. Basuki Raj Regmi (Principal)

**D** Parents, Scholars, and Students  
Many great scholars believe that education is the manifestation of perfection that already existing in human beings. Chanakya, a great Indian philosopher and scholar, opines thus:

प्रथमे नार्जिता विदा द्वितीये नार्जितं धनम्  
तृतीये नार्जिता धर्मं चतुर्थे किं करिष्यति ?

This means we have to gain knowledge in the first stage of life, earn money in the second stage of life, Dharma (family responsibilities) in the third stage of life and earn Yasha (social glory) in the fourth stage.

Education plays a vital role in the enhancement and advancement of an individual, society, and civilization as a whole. It aims to exterminate poverty by creating employment, bring intellectual consciousness to the remotest corners of the nation, and build human resources to transform the society. As the mighty current of a river can't be embedded, neither can human interest and desires.

In this context, Chanakya Secondary School/College is committed to impart quality education to our valued students for a promising future, making them capable and competitive on a global scale.

We, at Chanakya, aspire to herald a new beginning in the field of education by exploring the opportunities of employment and freeing from material scarcity and the shadows of ignorance. I would like to assure all parents that our college does not believe in bookish knowledge; rather it focuses on discipline, morality, and humanity as indispensable values of a student. Finally, I would like to assure you that Chanakya SS/College is committed to providing quality education with excellent academic results in a safe and sanitized environment.

# OUR MISSION

The primary objective of all the academic effort is to build a strong foundation with all necessary infrastructures to expand the horizon of knowledge and efficient dissemination of the knowledge created.

- To address the need for a socially responsible educational organization that offers a dynamic study environment to the aspiring learners.
- To enrich the students with the globally competent abilities such as advanced perspectives, effective communication of innovative ideas, and pragmatic action plan.

We are ready to provide service in the best possible ways for the desired outcome.

# OUR VISION

We are dedicated to creating an assemblage point for integrated academic, social, emotional, and ethical dimensions of teaching and learning by upholding the pursuit of academic excellence in tandem with a global partnership.

To duly address and prepare the young generation with an ingenious capacity of leadership, discipline, knowledge, and humility, we can proudly claim that with the highly efficient management team and learned faculty members, essential scopes for educational management is what we aim for.

Let  
YOUR  
Dream  
BE BIGGER  
than Your  
FEARS

# OUR JOURNEY

**Established in 2066 BS**, Chanakya Secondary School/College is a premier innovative educational institution where the curiosity, creativity, and intellectual joy of students drive academic excellence.

Chanakya stands out from other institutions with its immense growth potential. It is a place where rigorous scholarship, complex problem-solving, and service to the public good are defined by intense collaboration, intellectual discovery, and working in ways that transcend traditional boundaries. We encourage the right of all individuals to express ideas and perspectives — and we embrace the value of vigorous debate in pursuit of knowledge.

Since the time of its inception, a team of dedicated professionals has constantly worked on delivering quality educational service to its students. Chanakya is a learning community created in the commitment of respect for the diversity of viewpoints that is fundamentally essential towards intellectual discovery. We are confident that the bond between young students and a group of expert faculty members and our flexible but rigorous approach to education will prepare students to be creative thinkers, intellectual risk-takers, and entrepreneurial problem-solvers.

The campus with space of 20000sqft provides highly spacious and well-equipped classrooms along with all the basic amenities contributing to the richness of learning experience. We are also proud of our alumni who have been successful in creating a positive impact in Nepal as well as the global arena. Our primary objective is to provide excellent educational service to students from Montessori to twelfth grade. Currently, we offer Higher Secondary Courses (+2 level) in Management and Science (proposed), BBS, and MBS with its infrastructural facilities in an independent block. We aim to extend more University level programs in the future. Our goal is to nurture the talents of each generation of Chanakya students, empowering graduates who will flourish and change the world for the better. We welcome students, parents, and guardians to the Chanakya family.

## LOCATION

The higher educational facilities are located at Shankhadhar Chowk, Madhyapur Thimi-4, Bhaktapur, and enjoys close proximity to six-lane Araniko Highway, making the school campus easily accessible.

## CHANAKYA IS NOT JUST A NAME

### It's a path ahead

Chanakya as an Institution gets its name from ancient India's prime scholar "Chanakya" who lived during the third century BC. A royal advisor and jurist by profession, Chanakya have imbibed his milestone of knowledge and teachings in the field of jurisdiction, economics, political science, and philosophy, which are still relevant today.

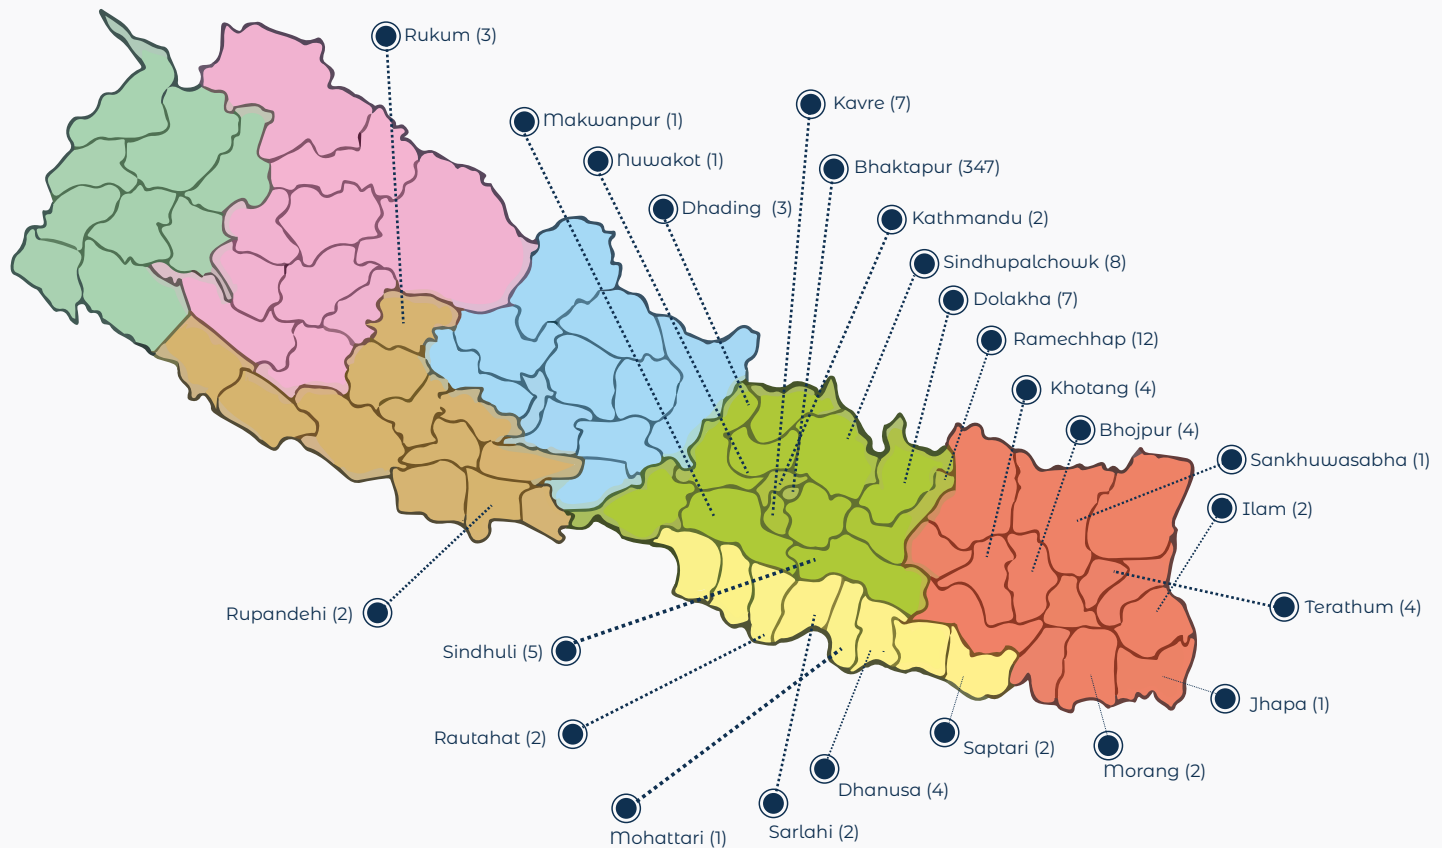

We, as educators, recognize him and his works as the epitome of guiding principles for broadening the scope of learning, wisdom, and skills required for overall development as a human.

## STUDENTS ADDRESS ACCORDING TO DISTRICT

### Did you know?

Chanakya College of management has over **430 plus students** admitted last year from more than 25 district.

*Data from Class XI students*

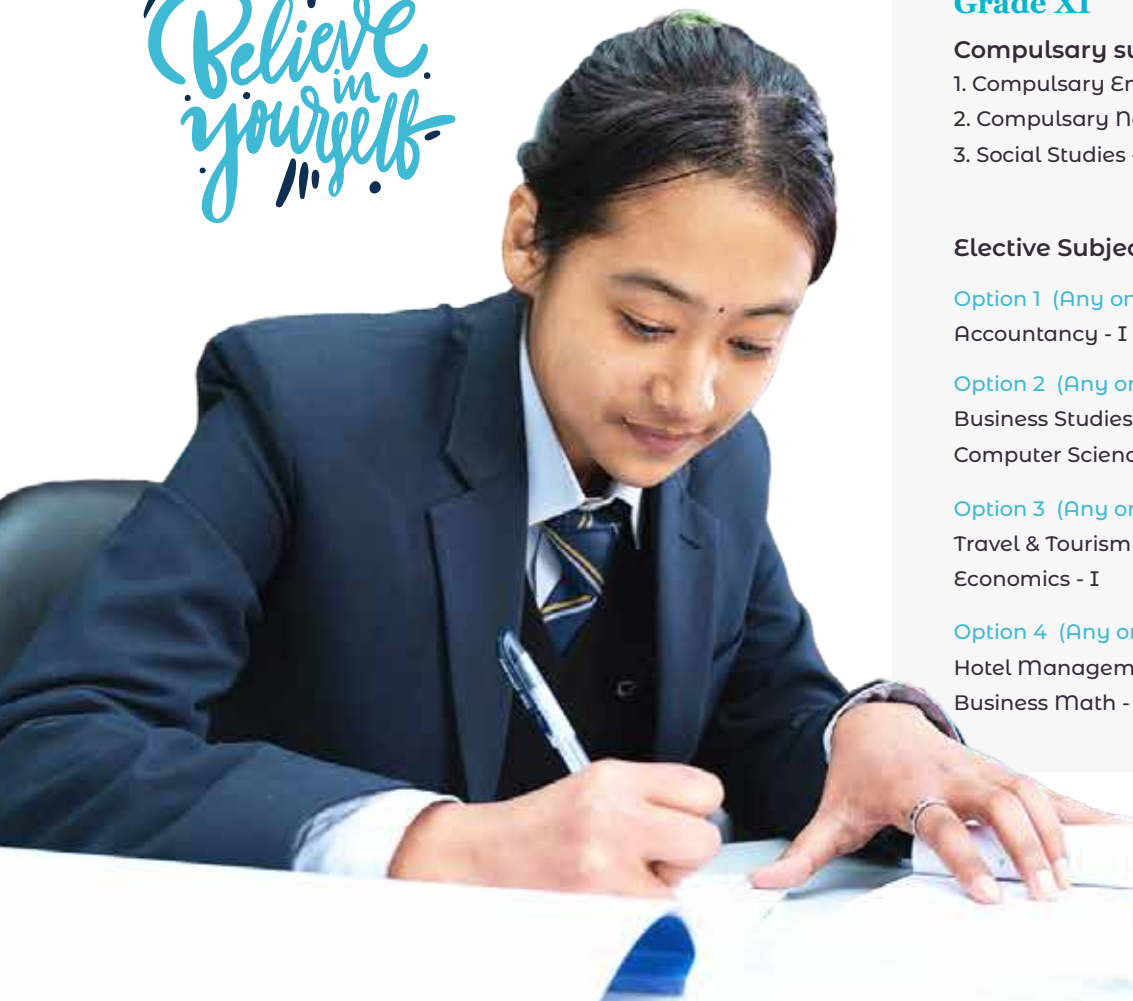

Every year Chanakya college of Management, welcomes students around the countries. Hence, we understand each and every student and their concern. It has been wonderful experience dealing with the diverse nature of students.

We have been able to maintain a reputation for excellence due to the enhanced quality of our teaching and support and the resulting high levels of student aspiration and achievements. We help each of our students realize their potential, maximize their results and achieve success, at College and in the future.

# ABOUT PLUS TWO (+2) PROGRAM

Secondary Level two-year course provides basic knowledge about the facts and principles of Management Stream and also Science Stream (proposed). It will create a foundation for students aspiring to pursue a career in Management and Science. As Business Management is one of the most sought after disciplines at present, it prepares students to take up managerial responsibilities in all types of organizations by equipping them with essential skills to adapt and do their best.

Believe  
in  
yourself

Elements of Finance - II

# ADMISSION PREREQUISITE

The admission procedure consists of an entrance examination conducted by the college followed by an interview. For entrance examination eligibility, the candidate must have passed SEE or equivalent examination from Nepal or foreign institution with minimum grades as quoted by the Ministry of Education in each subject.

Once the application form is submitted, the candidate will have to appear for a regular entrance exam on a scheduled date. The entrance test comprises of questions related to Mathematics, English, and General Knowledge.

After successful clearance of the entrance exam, the candidate will be required to appear for an interview conducted by the institution along with their parents or guardian. Students who have passed the entrance examination and interview are eligible for admission at Chanakya SS/College in +2 program, ie; grade XI.

A group of eight students, four boys and four girls, are posed for a group photo outdoors. They are all wearing dark blue school uniforms with white shirts and blue and white striped ties. The students are arranged in two rows, with four students in the front row and four in the back row. They are standing in front of a blurred background that appears to be a school building with a red wall and some greenery. The lighting is bright, suggesting it's daytime.

DESIGNED TO PREPARE  
**STRONG FOUNDATION**

# SCHOLARSHIPS & AWARDS

To encourage educational opportunities for students from various backgrounds and capacity, we offer a wide array of scholarships based on academic credentials and student accomplishments reviewed through the admission's process

Scholarship offered are defined in categories mentioned below:-

*The journey as a student of BBS 3 year program in Chanakya College of Management has been the most important and memorable journey in my life. Each and every classes was fun, educational, motivational and interactive. They believed in me and led me to believe my potential to secure a gold medal at Tribhuvan University.*

*Chanakya not only focused on the academics but also on the extra activities to help students excel in their life. The top faculty member of Tribhuvan University gave the speeches on excelling the academics. Beside, there were many motivational classes to bring positivity and develop a better career in life. Looking back at past, I remember what I used to be before joining Chanakya and today I admire how I was inspired to fulfill my dream and grow out to become a professional.*

# TEACHING & EDUCATION

## LEARNING PEDAGOGY

Chanakya SS/College encourages the overall participation of students in academics; hence, a stimulating environment for teaching/learning process is set up which is an ideal interactive melting-pot of refreshing thoughts and ideas.

We have adopted a pedagogical approach as incorporating traditional and contemporary educational methodologies to add the essence of East meets West learning approach. To make the teaching interactive and non-monotonous, students are engaged in independent and group projects. They are encouraged to involve in interactive sessions, subject-specific projects, workshops, seminars by guest lecturers, and field visits. Provision of audio-visual technology tools like multimedia and projectors are used extensively to provide technology-oriented learning.

## ASSESSMENT AND PERFORMANCE REVIEW

To ensure the progress of competency level amongst students related to their curriculum, a regular assessment is taken into account. During an academic session, internal unit tests and three-terminal examinations are conducted to prepare students for their board exams conducted by Nepal Education Board (NEB).

The first terminal and pre-send-up exam carry a total weightage of 100 marks inclusive of:

- |                             |  |
|-----------------------------|--|
| • 70% of the terminal exam  | • 5% teacher's remarks                   |
| • 5% unit tests             | • 5% home assignments                    |
| • 5% individual assignments | • 5% college extra-curricular activities |
| • 5% class presentation     |  |

The performance of every student is observed throughout the year to ensure that she/he is effectively dealing with the course study and making progress. Unit tests, terminal examinations and pre-board examinations are conducted to evaluate and prepare students for the board examinations administered by the National Examination Board (NEB).

Students are required to secure a minimum of 40% marks in the overall internal evaluation to qualify to appear for the board examination. Any student falling short of the minimum marks required will not be permitted to appear for the board exams unless she/he qualifies or proves capable of obtaining pass marks..

## CHANAKYA PUBLICATIONS

Chanakya SS/College encourages the creative involvement of students pertaining to various activities conducted in the campus. Chanakya Newsletter is a quarterly bulletin that updates the Chanakya Family about the successful activities and progress of the institution. Chanakya Landscape is the annual publication inclusive of documentation of activities and creative endeavors of students and teachers. Every classroom is expected to maintain Literary Wall Magazine and the best wall gets awarded as part of creative encouragement. We are launching the scholarly journal shortly.

# EDUCATIONAL TRAININGS

Educational training will guide and cultivate students to see the practical aspect of their learning and understanding. Training takes place in a company or business house, offering the student the opportunity to adapt what she or he has learned in a working environment using reasoning and decision making in a real workplace.

Chanakya SS/College organizes Periodical Educational Training Programs to enhance the practical knowledge beyond theory classes. Since practical training is part of the student's studies, it is very well-planned and supervised. The Training Program is followed by project works that are evaluated and marked by the external invigilator from N&B at the end of each session.

## HOTEL TRAINING AND VISITS

The Hotel Management students are provided with practical training according to the curriculum through exposure to various departments of Hotels and their operations. During this training, students gain experience with works carried out by different departments of the hotel i.e. kitchen, front desk, bar, customer service, housekeeping, and more.

We collaborate with some of the best hotels in the Valley like Radisson, Soaltee, Marriot, Hyatt, Country Villa, Mystic Mountain, and Gokarna Forest Resort to let our students understand the requirement and functioning of a international level working environment.

## INDUSTRIAL VISITS

For students of Business Studies and Computer Science, Industrial visit is organized as practical learning of their respective courses. The purpose of the practical training is to familiarize students, under supervision, with the essential tasks related to the degree. While on an industrial visit they are exposed to different departments of the industry/office.

The tasks are based on each student's learning objectives and the needs of the employer. This helps in gaining firsthand experience of management and operation of different departments and gain information on the company's marketing, supplies, and productions.

## SEMINARS

We organize various seminars and workshops with guest lecturers throughout the year. Programs like Motivational Speaking, Personality Development, Career Developments, and Presentations provide information about self-evaluation, study skills, learning styles, time management, stress management, and more. Seminars and workshops provide a chance to interact with experts from the specific field.

Discussing the relevant topics of the particular subject, students tend to learn about the latest information and new skills related to the concerned subject. Such interactive events have numerous benefits, including improving communication skills, gaining expert knowledge, networking with others, and renewing motivation and confidence.

## CLASS PRESENTATIONS

One of the major skill in today's challenging economic situation is the ability to communicate effectively. Chanakya College/School recognize the need of oral communication and to enhance the prospects of employment for the students, they are required to undergo a one day presentation workshop at the beginning of the session. Here the students get a hand on experience on how to present a topic in front of a group of people, enhancing their communication skills and confidence building. It's mandatory to attend and participate in presentation session at least once in all subjects as per the college academic calendar. These are evaluated and appended in terminal mark sheet.

## EVALUATION

We at Chanakya are aware that every student is not same and all need special attention and evaluation to ensure that she/he is effectively dealing with the course study and making progress. Hence, we evaluate and prepare students for the board examinations administered by the Nepal Examination Board (NEB). The evaluation is based on the Annual Record of the student which includes,

***Internal Tests | Project Work | Practical work |  
Class work and Home assignments | Terminal examinations |  
Monthly Test | Pre-board examinations***

If students fail to meet the standard evaluation criteria we personally monitor and evaluate such students and if required conduct additional necessity activities until and unless she/he qualifies to appear for the board examination.

Besides the academic aspect of the students, the students nonacademic performance (punctuality, discipline, performance in ECA, special talents) will be evaluated and reported to the concerned guardians periodically.

# STUDENT CODE OF CONDUCT

Chanakya SS/College gives primary importance on positive attitude and discipline within and outside the college premises. Valuing the self-disciplinary principles, we provide students, faculty and staff members with a code of conduct booklet at the beginning of the session and expect all to adhere to it with respect to the college norms and values.

- Students are expected to conduct themselves consistently with respect to code guidelines on and off college, particularly at college-sponsored events or programs, educational training, field trips, seminars and other college activities regardless of location.
- Students are required to carry their Identity Card issued by the institute at all time.
- Students are expected to be punctual and required to be within the campus before the start time. No student will be allowed to leave their classes in between and are required to be present until the classes end for the day. Exceptional cases may be entertained only after respective approvals.
- The college will not tolerate any misbehavior, the influence of stimulating substances like narcotics, alcohol, cigarette and lethal drugs, weapons, violence etc. If any student is found guilty she/he will be immediately expelled from the college.
- Strict action, suspension, and fines will be imposed who indulge in unauthorized leave, bunk classes, damage college property. Students are required to attend college in a prescribed uniform and maintain hygiene and should be well-groomed at all times.
- No refund of fees will be made upon withdrawal or cancellation of admission. The security deposit will only be refunded after the successful completion of course. The security deposit will be seized if the student leaves an academic session midway.
- Admit card, exam forms, mark sheet, character certificate, and documents will not be issued without clearance of dues if any from the Accounts Department.
- The use of mobile phones within the college premises is strictly prohibited. Mobile phones are to be switched off and left with the security guard at the entrance. Violation of this rule will result in the confiscation of the phone.
- In case of dispute, the decision of the managing committee will be final. Chanakya SS/College reserves the right to modify or eliminate existing norms and formulate new ones without any prior notice if deemed necessary

## Attendance

- Students must attend all classes regularly.
- Must maintain a minimum of 90% attendance in every term. If not, she/he will be considered Not Qualified (NQ) and won't be allowed to appear for the final examination.
- Leaves should be applied in written by parents or guardians in advance.
- Frequent absenteeism without prior notification may result in dismissal from the college.

## College Timings

- Sun - Fri from 6:30 - 11:30 AM for the morning shift.
- Sun - Fri from 11:30 - 4:00 Pm for the day shift.
- Closed on Sat and special holidays as per the academic calendar

## Uniforms

Prescribed uniform for Secondary School students are as follows:

- Off white shirt
- Black sweater with college emblem
- Dark blue coat
- Dark blue pants
- Black leather belt with a simple buckle
- College tie and Black shoes

## Transportation Policy

- Transportation facility is available for students who are in need of a commute. Students who are in need of this facility have to declare and mention the pickup point/ bus stop in the application form.
- Students are not permitted to bring their own conveyance such as two or four-wheelers to the college. This rule is strictly enforced for the safety of the students themselves.
- Students availing the bus service will be issued a Bus Pass cum ID which they must display while boarding the bus and should be kept with themselves at all times.
- If a student has to change the bus stop or does not require the bus service for any reason, then a written application addressed to the Transportation Manager must be submitted well in advance.
- Misuse of the bus facility in any way will lead to the suspension/cancellation of the same.

# FACILITIES

Chanakya prepares graduate students to become leaders in their fields inside and outside of the academy. To ensure they get the best and latest of all facilities that will motivate and assist them towards better performance, Chanakya makes sure that our students are provided with all facilities required for practical experience.

Our classrooms are aesthetically designed and integrated with smart boards and well-furnished desks. Each classroom session is made interactive and interesting using various technological supports. With technological support, our skilled teachers guide each individual.

## SAFETY AND SECURITY

Taking the unforeseen natural calamities into consideration, the safety and preventive measures for everyone within the college premises is ensured. Security system is always under the watch with control mechanism of CCTV cameras and DVR systems.

## CAFETERIA

The cafeteria with prerequisites of hygienic food in subsidized rates is provided within the college premises to student and staffs at their break time on all weekdays.

## COMPUTER LAB

Information technology has become integral to every walk of life. With a fully-equipped computer lab, Chanakya supports the modern needs of today's education through technological advances and in-depth knowledge. Students and faculty come to the computer lab for expert guidance in navigating a world awash in information, experimenting with emerging digital tools, and discovering ways to collaborate and innovate as they change the world.

## LIBRARY

More than just stacks of books and study space, the library in Chanakya is a storehouse of knowledge. The college has provided students with a library that opens the doors to a universe of extraordinary resources and discovery. Our library, a treasure trove of knowledge, has state-of-the-art architecture providing students a place to learn, think, and share ideas.

# ECA & COUNSELING

We believe sports and physical activity enhances every aspect of a child's development and learning. It is the child's window to the external world and forms the foundation of social, intellectual, physical, and emotional skills that are requisite for success, as well as, in life. To encourage such activities, Chanakya has provided basketball court, table tennis, badminton, chess, etc. to keep them occupied and involved.

We believe the participation of students in different extracurricular activities to bolster the capacity of creative learning and recognize their potential allowing them to explore the value of leadership and team spirit. Different activities such as creative writing, quiz contests, debate, spelling bee, dance competition, musical shows, and talent shows are conducted at par with academic routine.

We provide mentoring and counselling for all our students as an integral phase that bridges a student's prospective career. We offer individual assistance on all aspects of career planning and decision-making, including self-assessment; choice of major and career field; exploration of career-related interests; pursuit of internships and employment; and application to professional and graduate school. Throughout their time at Chanakya, students will have access to numerous resources to help them design their visions for meaningful career paths and prepare for the future. They are encouraged to develop your thoughts by talking with counsellors who are here to help them.

In each of their intellectual endeavours, our students uncommonly are driven by the belief that their work must — and will — have an impact in their communities, in society and the world. Students leave Chanakya prepared to thrive as independent, innovative leaders, no matter what path they choose.

Annual ECA activities conducted are as follows:

- Sports Week.
- Inter-College Basketball Tournament
- Inter-College Football Tournament
- Inter-College Quiz Competition
- Inter-Class Public Speaking Contest
- Talent Show
- Freshers and Farewell event

Images here

# EXCURSIONS

Our institute organizes long and short excursions annually as part of the +2 program which provides firsthand experience of our country, its landscape, living conditions of people, and various cultures and traditions. The students are provided with an opportunity to not just explore and enjoy nature but also understand and see the effect of changing global weather conditions and its direct and indirect impact on all.

Such excursions help them learn various aspects of commercial culture, traditional and cultural values, and beauty of the landscapes of this country. Excursion reports are assigned to the students on such trips which are evaluated by the invigilator from NEB at the end of each session.

# CLUBS

We, at Chanakya, strive to create a positive environment and enhance the leadership skills of students through the formation of various clubs which was initiated by the students and with logistic support provided by the college management.

Students are enrolled in different clubs as per their interest at the beginning of the academic session and encouraged to organize competitions and events which are coordinated by the ECA in-charge. Club activities are held after college hours and interested students can participate in them as per their interest. The following clubs on offer at present are:

## Performing Arts Club

(Music, Dance, Theatre,  
Art and Design)

## Sports Club

(Basketball, Badminton,  
Table Tennis, Indoor games)

## IT Club

(Photography, Multimedia  
Design, Computer Coding)

## Environmental & Social Club

## Literary Club

# CHANAKYA STUDENT COUNCIL

Chanakya Student Council comprises of student leaders who represent the students currently studying in the college. The academic head, Co-ordinators, Teachers, and students select the leaders for the executive positions of the council for one year.

The main objective behind the constitution of this council is to provide students with an opportunity to develop their leadership skills and instill a sense of responsibility by providing them a platform to organize college functions and other extra-curricular activities. The council members encourage and motivate their peers to participate in the activities and showcase their talents.

# OUR WAYS OF LEARNING THINGS

# “What our students Say!”

“

Anusha Shrestha  
-2075 Batch

*Since the moment I joined Chanakya College, I was met with nothing but energy and enthusiasm. The faculties and staffs at this institution are one of the finest that always wants their students to do well. I was exposed to so many opportunities here and got all the help and support I wanted. Teachers helped me beyond words, and it was a privilege to have been a part of this school and am glad to have made the decision. Chanakya was more than a school for me. It was a family, a family that will stay with me for the rest of my life.*

“

*My two best years in Chanakya College, was a place where my voice was being heard and respected, where I got a chance to enjoy the quality education along with the opportunities to grow. I believe what grows together, goes together. A place which was more like a home, gave me the confidence that I always seek for- gave me the prospect for significant growth, learning and relevant exposure. Proud to be a Chanakian.*

Barsha Khanal  
-2075 Batch

“

Alisha Maharjan  
- 2074 Batch

*It was an amazing experience being at Chanakya for my higher secondary education. As a student and a Class Representative, I learnt more than I expected especially in the area of leadership, communication and organizer, which helped me enhance my skills and confidence to become a successful entrepreneur in future. I would like to extend my appreciation towards all my facilitators and mentors that accompanied me in this wonderful journey which are a living experience that are worth sharing.*

“

Puja Theeng  
- 2074 Batch

*Two years journey as a student in Chanakya College was the most cheerful, memorable and rewarding experience of my life. Chanakya helped me develop myself academically and personally through excellent education and opportunities through exceptional programs, trainings, events and various workshops in becoming a competent person. I am now pursuing my further education in Australia; much credit goes to Chanakya for creating such friendly learning environment and facilities that helped me fit right in without any trouble in broadening my social horizon.*

Binita Kasichhwa  
- 2074 Batch

*College life has been very special to me. Every moment in college has helped me broaden my mind. Failure and then success in my life has made me stronger and determined to achieve my goal. Chanakya, Dream College where I got a fair chance to enhance my talent, sharpen my mind, widen my knowledge and create a beautiful world for myself.*

Prof. Dr. Bishnu Khanal

Prof. Dr. Shreedhar Prasad Lohani

Prof. Dr. Mahananda Chalise

Prof. Dr. Arun Kumar Gupta

M.Phil. Phatik Poudel

Dr. T.L. karna

Prof. Dr. Bal Ram Duwal

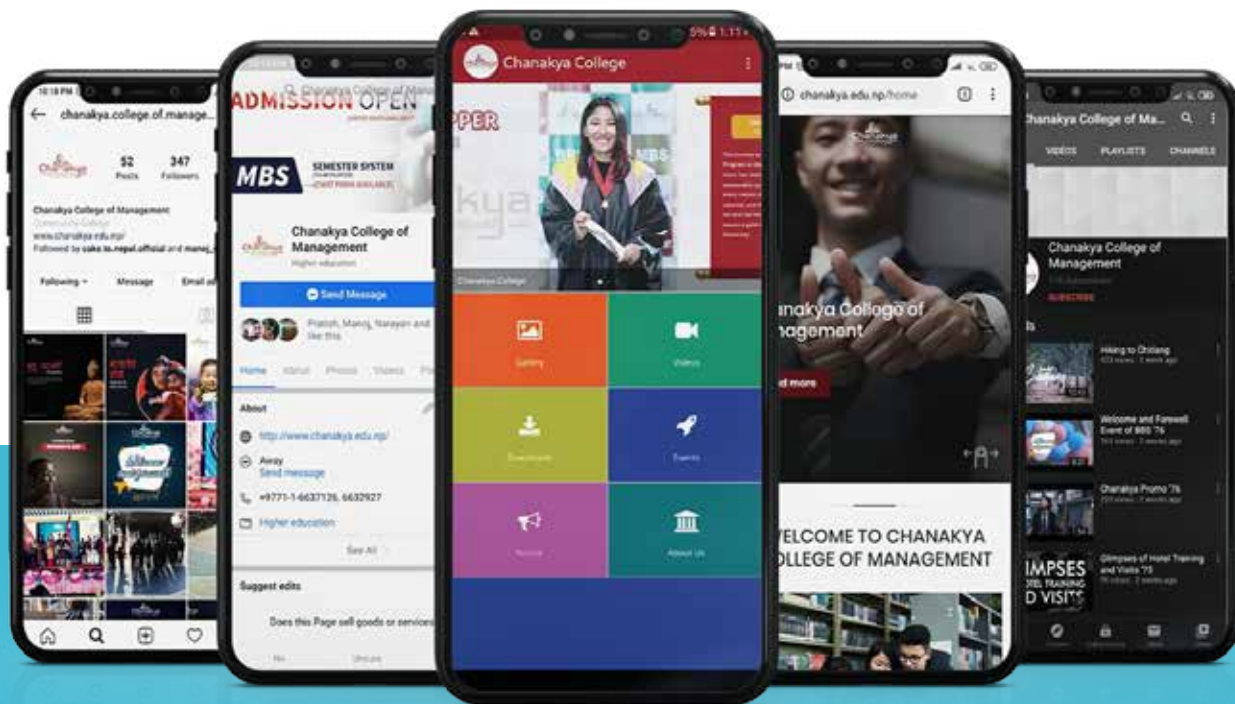

# CHANAKYA DIGITAL

The corona virus pandemic has resulted in the closure of schools and colleges across the country. Education has changed dramatically with a considerable rise in e-learning. Online learning, which came as a panacea for the crisis, is increasingly seen as a new paradigm in education.

Online classes have enabled the teachers to quickly assess the learning of students as and when they teach. Chanakya has been using various means of media platforms such as Facebook, Instagram, and YouTube for communication, to connect with learning groups and other educational updates on college events and activities. Such a platform has helped us stay socially connected to the wider audience.

During the Lockdown school/college has been successfully conducting virtual online classes through Video Conferencing App's adapting the distance learning approach. Keeping the need for the app on mind and to have better communication with our students, Chanakya is soon launching its own LMS (Learning Management System). The program will provide an online learning platform for students and at the same time give access to parents to observe the teaching methods and keep track of the growth and shortcomings of their children.

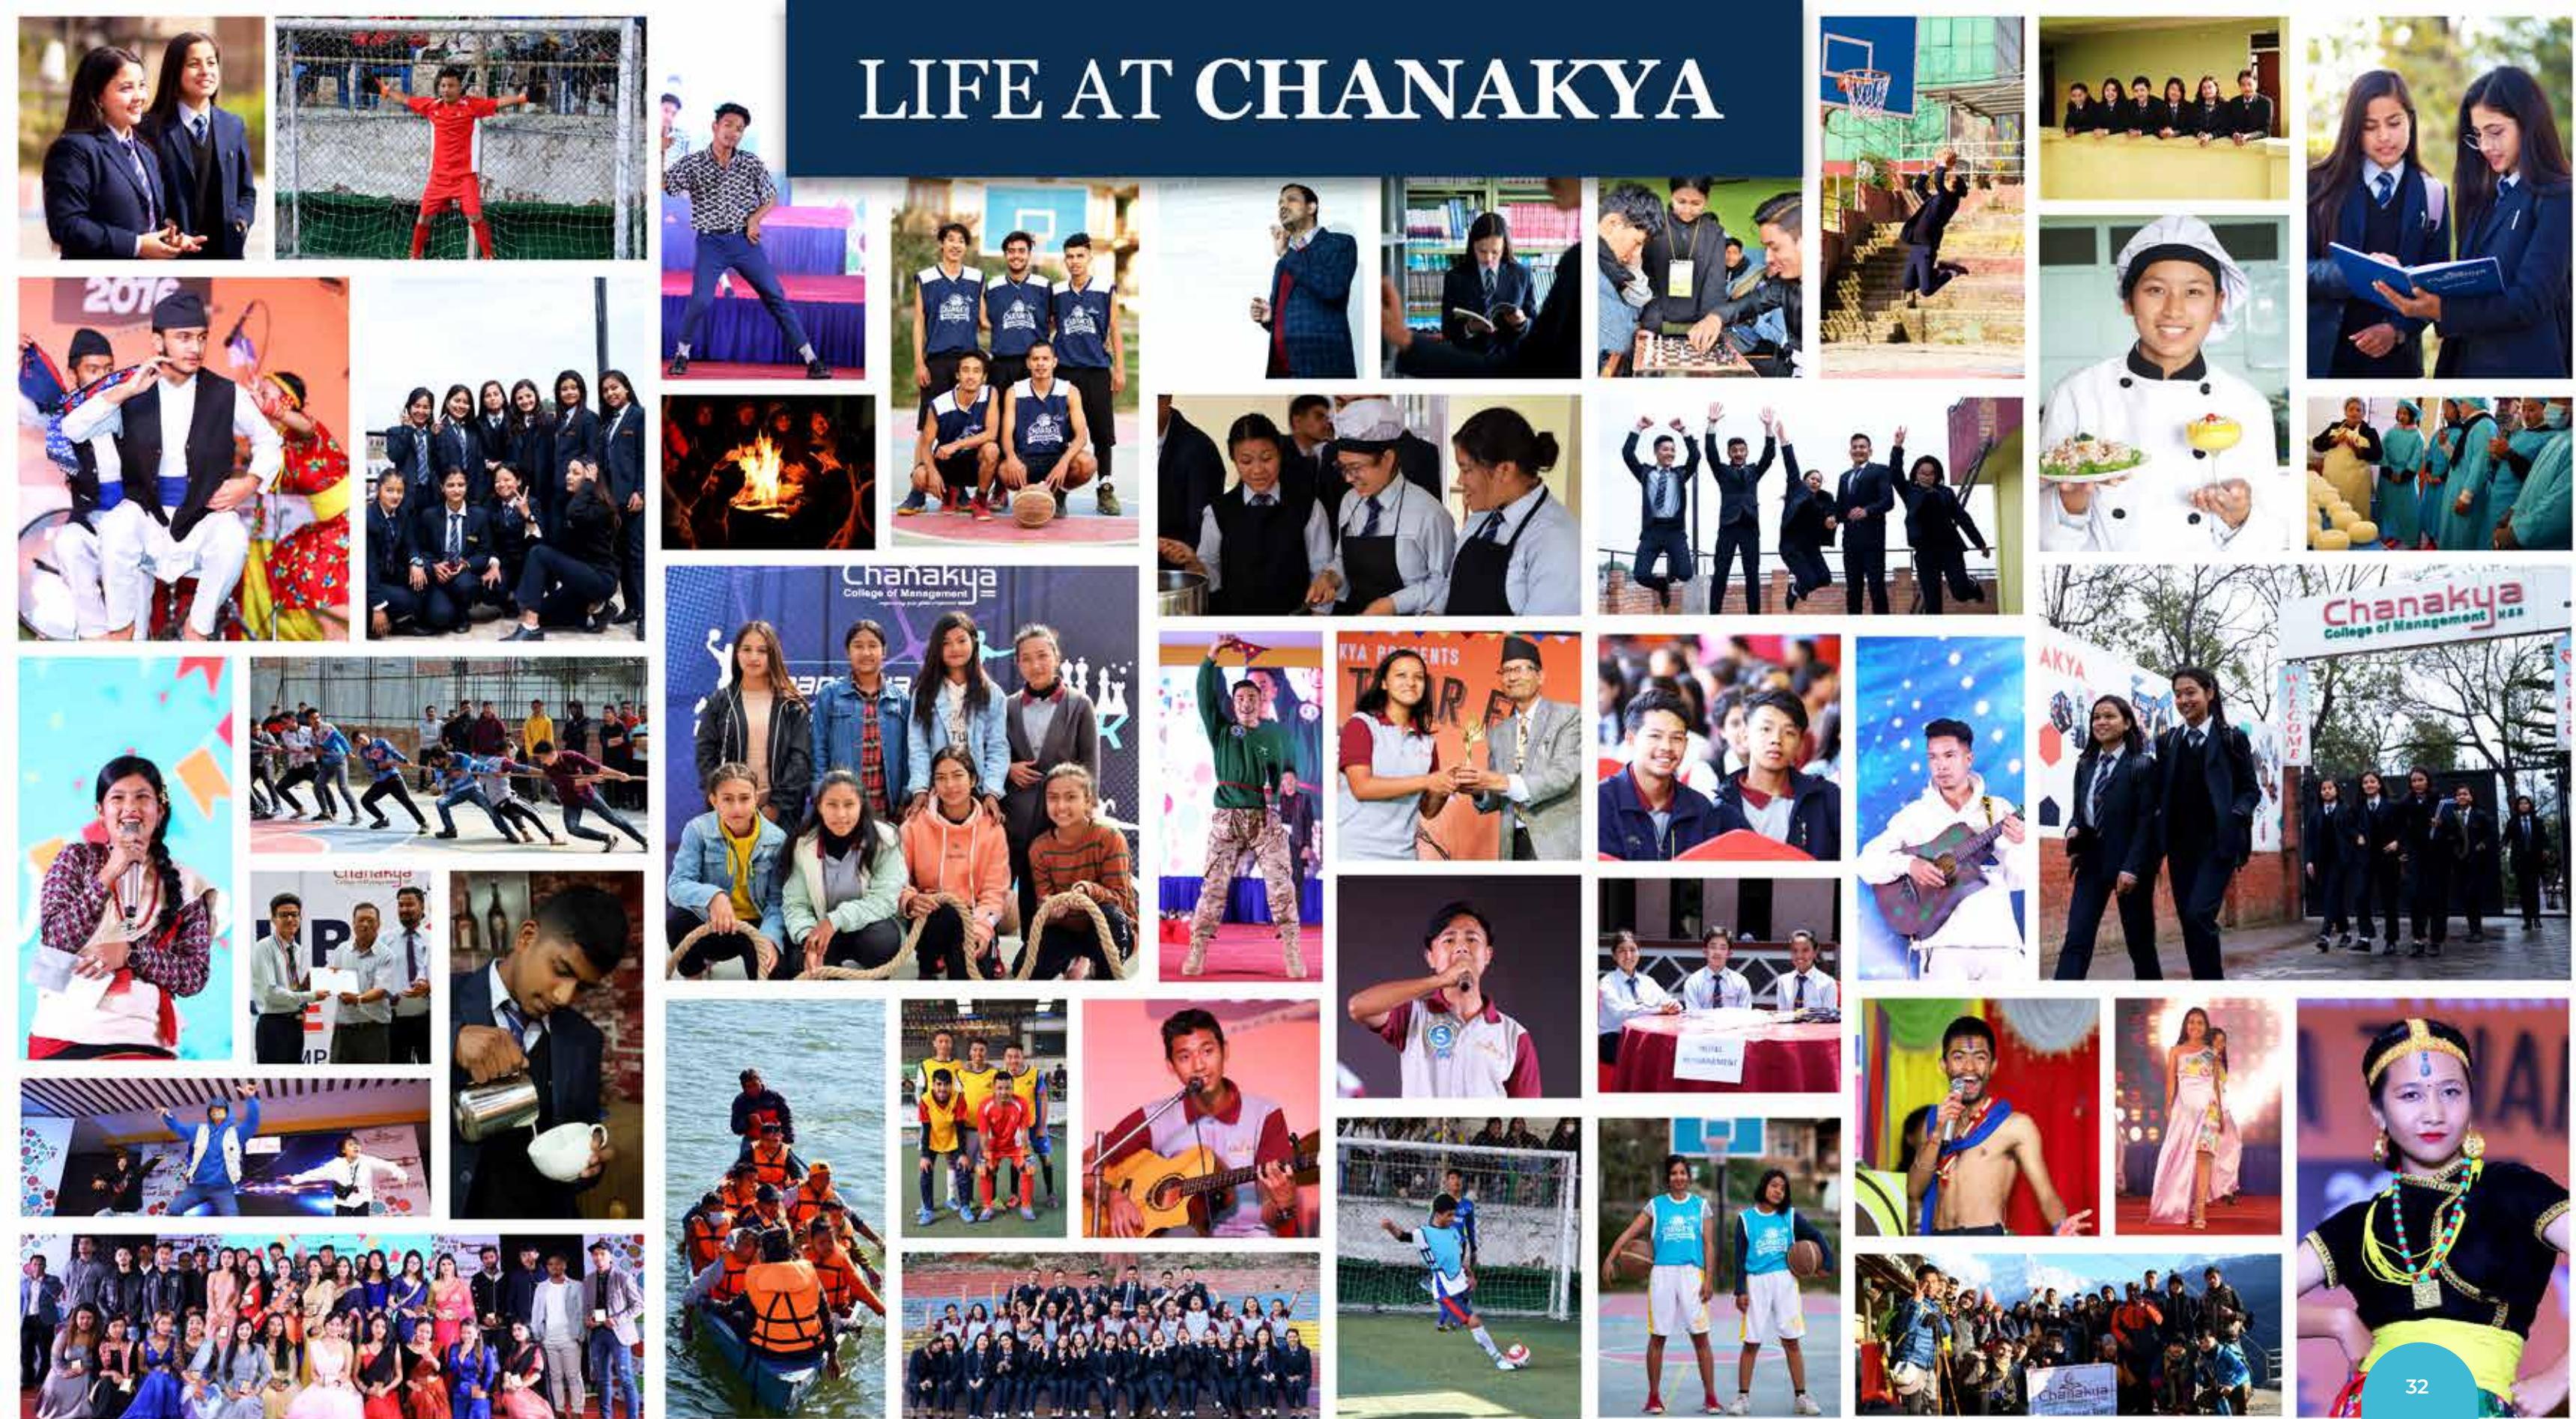

# PERSPECTIVE LOOK OF NEW BUILDING

Lorem Ipsum is simply dummy text of the printing and typesetting industry. Lorem Ipsum has been the industry's standard dummy text ever since the 1500s, when an unknown printer took a galley of type and scrambled it to make a type specimen book. It has survived not only five centuries,
